

Conroe High School Band Booster Scholarship Application 2021-2022

This scholarship is funded solely through the Conroe High School Band Boosters. The Band Booster Executive Committee determines the funds available for scholarships each year. The Band Directors determine the number of scholarships, and the total monetary amount for each scholarship awarded. Scholarship applications include a point system with the criteria and methods listed below as well as an essay. Students that transferred to CHS will need to submit proof of the categories below to receive consideration. These applications are then passed to a group of CHS teachers selected by the Band Directors for final decisions. If you have questions regarding the award process, please contact a member of the Band Booster Executive Committee or Band Directors.
